Mukand Sumi Special Steel Ltd. (MSSSL), a joint venture between Jamnalal Sons Private Ltd. (Bajaj Group) and Japan's Sumitomo Corporation, has announced to set up a greenfield integrated steelmaking facility at Kanakapura, Koppal, Karnataka, at an investment of ₹2,345 crore. Once it is commissioned in 2028, the company said its production capacity will increase to 7,00,000 tonnes per annum.
